

Music Contextualizr

Quim Llimona, MHD Barcelona 2013

WHAT'S WRONG WITH THE LYRICS?

They don't match the music!

It's OK man, just take some
modern poetry and plug in random chords

Let's solve this

Semantic Domination Plan

- Take a song
- Extract its lyrics
- Parse them
- Build a soundscape
- Play it!

Semantic Domination Plan

- MP3 File

- ENMFP

- EchoNest ID

- MusixMatch

- Linguistic Model

- Freesound

- HTML5 Audio
